**RUNNING FOR BOTH  
FIRST VICE  
PRESIDENT, AND  
MAINTENANCE  
SHOP STEWARD**

## **COLLABORATIVE • LEADERSHIP • INTEGRITY**

### **WHO AM I?**

- Like many of you, I am a parent of a child in the district. I see from both sides the struggles you all face. In my role as a Carpenter for the district I have the privilege of seeing what happens at all of the job sites.
- I have been involved in the Union since 2018 both as a Steward, and sitting on Committees such as Job Evaluation, Negotiating, and District Health and Safety. I have taken education through the local, as well as through BCIT, in areas like Facing Management Effectively, Mental Health First Aid, Supervisory Skills, and Provincial Labour Law.
- Prior to my time with the board I worked in commercial construction running large commercial jobsites. This has taught me the importance of fiscal responsibility and effective leadership.

### **WHAT DO I BELIEVE?**

- We are stronger together. There is no doubting this in my mind. We are coming out of some very hard years, and now is the time to look forward. Forward is strong leadership. Forward is collaborative conversations. Forward is a voice for everyone at the table.
- I hope that each and everyone of you takes the time to vote during the election. We are a democratic organization, and all voices deserve to be heard.
- Please feel free to give me a call if you have any questions - I am always happy to chat. 604.358.1662
