## **Negotiating Committee**

### **PROFILE**

My name is Jack Quinn, and I am running for the position of Negotiating Committee member.

I have extensive experience in the Labour movement both in Canada and the UK. This included bargaining collective agreements at CP Air, Canadian Airlines and Air Canada, as a member of the Machinist Union bargaining committees.

I also was a member of the bargaining committee in negotiations with MTU in Germany after they purchased the Canadian Airlines Engine Shop.

I am presently Transportation Shop Steward and Health and Safety Representative.

Please contact me for further information.
