

Hello,

My name is Nancy Williams, and for the past 3 years I have held the position of 2nd Vice President of local 716 and have put my heart and soul into this position. Fighting for your rights as workers and always striving for the best outcome for all members has become a passion and goal that I strive for in all my work with the union. I work as an EA but I represent members from all of our distinct classifications. As 2nd Vice President, my focus is taking on grievances.

We have had many successful cases this year including:

- Helping members attain paid Covid sick time
- Correcting job classification of some members
- Vacation day reconciliation
- Correcting inaccurate seniority dates
- Repayment for wrongful suspension
- Short term accommodation that had previously been denied

And we are currently working to correct a long-standing error with one of our trade's groups.

Moving into our next Collective Agreement, we want you, our membership to reach out with your wants and concerns so that we can enter negotiations with our members' needs at the forefront. I will be running to keep my position as second VP in the upcoming election, as serving the membership has truly become a passion of mine, and I would like to keep working hard for you, our members, to always keep your best interests a top priority.

I'd like to thank President Ian Hillman for his endorsement as well as his unwavering support, guidance, and encouragement, and a thanks to Stacey

Robinson, 1st Vice President, for her continued determination , hard work ethic, and never give up attitude that has helped us work smoothly as a team for you, the members.

Please feel free to reach me by email at nwilliamscope716@gmail.com or phone at 604-240-3993 with any questions or concerns you may have. I am always here for you.

Vote for me, Nancy Williams as your 2nd Vice President

Thank you
